Due to the original prints being lost Wong re-edited and re-scored the film in 2008 for future theater, DVD and Blu-ray releases under the title Ashes of Time Redux. The film was reduced from 100 to 93 minutes. Both the original and Redux versions can still be found on Asian markets, while only the Redux version is available to western markets. Several criticisms of the Redux version have been noted, such as poor image quality and color mastering from the source material, cropping and ...
