Color Theory Notecards: 12 Notecards & Envelopes: 20 ...
However to clarify, there are 12 cards in the box - not 20 as said in the product name! At the time of writing this says "Color Theory Notecards: 20 Notecards & Envelopes", and the description has six in it... Very confusing and not quite as good value as a box of 20 would be. Sadly have to deduct a few stars for this misleading description.
