No, quite the contrary: Investing can do so much for your future that it would be a terrible shame to squander its true opportunities by chasing after rainbows. Investing wisely can amplify and enhance what you earn by your labor. And it is the only thing you really can count on for your senior years.

~~Fail Safe Investing: Lifelong Financial Security in 30 ...~~

Fail-safe Investing didn't disappoint. Browne outlines a commonsense approach to investing in order to hedge against risk and still provide the upside of investing. The premise is to invest equally in four categories in order to mitigate losses with gains in a variety of financial and economic conditions.
