page." Or go to the answers: Learning Right from Left: Write Letters Follow the Instructions Draw letters according to simple directions, such as, "Draw a letter R on the right side of the page." Or go to the answers.

Follow the Instructions: EnchantedLearning.com

Materials: white drawing paper, pencil or pen. Give these directions orally to your child. Tell your child that you will only be reading each step of the directions twice, so they need to pay close attention. Step 1: Turn your paper horizontally. That means "landscape" or long ways. Step 2: Draw a two-inch five-point star in the left hand corner. The top point and the left point should touch the edge of the paper.

Essentially, the lesson is a trick in which you hand out the activity sheet and ask them to follow the directions carefully, as we are focussing on following procedures today. In nearly 99 percent of all cases your students will follow each of the steps and do all of the ridiculous things that are requested of them.

Following instructions task for students — Innovative ...

Ask students to write out the exact directions for drawing something. Make sure to keep in mind colours, location of writing utensils, and appropriate descriptive words. Put students into pairs. Have them sit back to back with their face in the opposite direction while one student draws and the other gives directions.
