Businesses worldwide are small by size, but their importance to both developed and developing economies and societies is indisputable.

According to the World Trade Organization, small- and medium-sized enterprises (SMEs) represent over 90 per

Download Free How Small

cent of the business population, 60-70% of employment and 55% of GDP in developed economies. SMEs therefore do not just significantly contribute to the economy – they ARE the economy.

Business

The participation of micro, small and medium-sized enterprises

(MSMEs) in international trade has remained limited for numerous reasons.

These include lack of relevant skills, lack of knowledge about international markets, non-tariff barriers, cumbersome
