The Anglican Chant Psalter: Edited By: Alec Wyton ...

Anglican chant, also known as English chant, is a way to sing unmetrical texts, including psalms and canticles from the Bible, by matching the natural speech-rhythm of the words to the notes of a simple harmonized melody. This distinctive type of chant is a significant element of Anglican church music. Anglican chant was formerly in widespread use in Anglican and Episcopal churches, but today, Anglican chant is sung primarily in Anglican cathedrals and parish churches that have retained a choral

Anglican chant - Wikipedia

The Anglican Chant Psalter also includes some triple chants. Because of its fixed design, anglican chant requires the text to be marked ("pointed"), so that certain syllables may be sung to particular notes of the music. The pointing used in The Anglican Chant Psalter matches primary verbal stresses with musical ones.
